

2008 Richard the Lion-Heart

Rennie Vineyard
Estate Grown Certified Organic Grapes

Richard the Lion-Heart was King of England but lived in France. This is the only known wine to include **all six** of the original Noble Red Grapes of the Bordeaux region.

We spend many days carefully putting the blend of our best barrels together to make it fit for a king. After many blending trials we decided on: 49% Merlot, 30% Malbec, 10% Petit Verdot, 5% Cabernet Franc, 5% Cabernet Sauvignon, and 1% Carmenerere. Impressive now or make it a cellar selection.
