2009 Semillon

Randle Hill Vineyard
Estate Grown Certified Organic Grapes

Semillon is a lesser known grape that grows side by side and is blended with Sauvignon Blanc in Bordeaux.

100% Semillon, this is our 17th consecutive vintage release. A dry white, it is nicely balanced with an upfront minerality and has a rich, honeyed texture with pear and apricot flavors. Great with crab or virtually any seafood dish! A favorite grape of our local wild boar; we have to fight to keep our share!
