Certified each year since planting in 1990 by CCOF (California Certified Organic Farmers).

Winemaker Notes

The grapes were handpicked and then gently crushed and put in open top fermenters, where they received three days of cold soak. Pasteur Red yeast was used and fermentation was held at 80 degrees F, and continued until dryness after 11 days. The tanks were drained and the pomace transferred by hand to the press where it received a gentle pressing. The wine was settled in a tank for 24 hours, then racked into oak cooperage for aging. After 16 months in 100% French oak barrels, the wine was racked into a tank, fined with organic egg whites, and loosely filtered before bottling.
