Randle Hill Vineyard, Yorkville Highlands

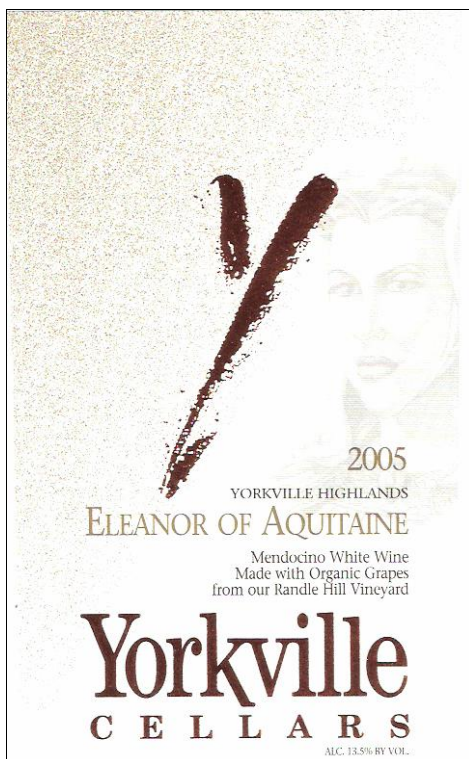

- ◆ 100% Estate grown grapes from our certified organic vineyard in Mendocino County
- ◆ A blend of 69% Semillon and 31% Sauvignon Blanc
- ◆ Technical Notes:
 - Alcohol: 13.5%
 - Total Acidity: 0.76 g/100ml
 - pH: 3.40
 - RS: 0.1%
 - Free sulfite at bottling: 34 parts per million
- ◆ Suggested retail \$24

Tasting Notes

Complex and smooth with typical notes of pear, vanilla and tangerine. Layered and packed with appealing flavors.

Winemaker's Notes

Selected vineyard lots were crushed directly to the press. The juice was gently squeezed from the press and pumped to a tank. A small amount of SO₂ was added to the tank and the juice cold settled for 24 hours. It was then racked to French oak cooperage and inoculated with a variety of yeasts. After fermentation was completed the wines were stirred every two weeks (sur-lie aged) to promote richness and stability in the wine. After ageing the wines were sampled and the top barrels selected. In this vintage, all of the barrels selected were older French oak and the wines were aged for 10 months. These lots were carefully blended during several days of intensive sessions, with input from the proprietors, vineyard manager and the winemaking staff. After the final blend was determined, the wines were racked into a tank, settled, fined and sterile filtered before bottling.
