Tasting Notes

Lush fruit is in harmony with the wine's dry, balanced acidity. Barrel aging gives it a nice, round body. This is a rich wine white that will compliment crab or shellfish very nicely.

Winemaker Notes

Grapes were crushed directly to the press. The juice was gently squeezed in the press and pumped to a tank. The juice cold settled for 24 hours. It was then racked to traditional Bordeaux barrels and various lots inoculated with Cote des Blanc and also Premiere Cuvee yeasts. After fermentation was completed the wines were stirred every two weeks (sur-lie aged) to promote richness and stability in the wine. After ageing for 8 months in seasoned French oak, the best barrels of the best lots were sampled with the very best selected during several days of intensive taste trials for the blend.
