Tasting Notes

Full bodied and aromatic. Nose of boysenberry and toffee, with lush berry fruit throughout. Mouth-filling with plenty of tannins in the finish. Serve with BBQ ribs or sausages.

Winemaker's Notes

Grapes were gently crushed, and put in open top fermenters, where they received a minimum three days of cold soak before inoculation with selected yeast strains. Fermentation was held at 80 degrees F, and continued until dryness, about 12-15 days. The tanks were drained and pomace transferred by hand to the press where it received a gentle pressing of a maximum of two bars atmospheric pressure. All wine was settled in a tank for 24 hours, then racked into oak cooperage for ageing. We used 100% French oak for this wine. After 18 months in oak, the wine was racked into a tank, fined with organic eggwhites, and loosely filtered before bottling.
